

Reflexology in Pregnancy and Childbirth, 1e

Reflexology in Pregnancy and Childbirth is a definitive text on the safe and appropriate use of reflex zone therapy in pregnancy, labour and the puerperium, focusing on evidence-based practice, professional accountability and application of a comprehensive knowledge of the therapy related to reproductive physiology. Denise Tiran, an experienced midwife, reflex zone therapist, university lecturer and Director of Expectancy the Expectant Parents Complementary Therapies Consultancy - has an international reputation in the field of maternity complementary therapies, has researched and written extensively on reflexology, and has treated nearly 5000 pregnant women with structural reflex zone therapy. **KEY FEATURES** Case histories to ease application of theory to practice Charts, tables and diagrams are used throughout for ease of learning Includes a section on conception, infertility and sub-fertility Covers legalities and ethical issues.

Scottsdale Criminal Defense Lawyer Home Attorney Profiles Â» Practice Areas Â» Results Testimonials Media Â» Contact Us Blog 123 Criminal DefenseDUIProfessional License Defense Phoenix Criminal Defense Attorney SERVING PHOENIX, AZ AND SURROUNDING AREAS At Chelle Law, our experienced and highly skilled attorneys provide exceptional representation in CRIMINAL, DUI and PROFESSIONAL LICENSE DEFENSE. Our firm provides aggressive representation, individualized attention, and exceptional skill, all at a reasonable price. We Fight To Preserve Your Rights In a civil case the plaintiff carries the burden of proof and must demonstrate their version of the facts to be true by a preponderance of evidence. However, a criminal defendant is presumed innocent until proven guilty beyond a reasonable doubt. Thus, the burden of proof is very high for the prosecutor in criminal cases, thus you should contact our Phoenix Criminal Defense Attorneys as soon as possible.
