

# The Secret Language of Eating Disorders: The Revolutionary New Approach to Understanding and Curing Anorexia and Bulimia

Peggy Claude-Pierre runs an eating-disorders clinic in Canada which takes only those patients who are desperately ill and close to death. Her attitude is to refuse to accept that anyone suffering from anorexia needs to die, and her methods have had a 100% success rate in curing her patients. After bringing her two daughters back from a similar state, Peggy has treated and cured hundreds of children and adults, developing a programme based upon unconditional love and positive reinforcement which is the basis of this book. Having become convinced that eating disorders stem from a complex negative mindset, often established at birth and which causes an overwhelming sense of worthlessness, the author aims to show how this mindset can be reversed, and thus ultimately cure the eating disorder affecting the patient.

Scottsdale Criminal Defense Lawyer Home Attorney Profiles » Practice Areas » Results Testimonials Media » Contact Us Blog 123 Criminal Defense DUI Professional License Defense Phoenix Criminal Defense Attorney SERVING PHOENIX, AZ AND SURROUNDING AREAS At Chelle Law, our experienced and highly skilled attorneys provide exceptional representation in CRIMINAL, DUI and PROFESSIONAL LICENSE DEFENSE. Our firm provides aggressive representation, individualized attention, and exceptional skill, all at a reasonable price. We Fight To Preserve Your Rights In a civil case the plaintiff carries the burden of proof and must demonstrate their version of the facts to be true by a preponderance of evidence. However, a criminal defendant is presumed innocent until proven guilty beyond a reasonable doubt. Thus, the burden of proof is very high for the prosecutor in criminal cases, thus you should contact our Phoenix Criminal Defense Attorneys as soon as possible.
