

Promises of Change (Covington)

The ladies of Covington once again face life's trials and tribulations with help from their family, friends and community in this charming novel for women of all ages. In Covington, life seems settled into blissful domesticity. Happily married now, Hannah and Max together nurture the parkland they saved from developers. But their peaceful life is shattered when Max's estranged son, Zachary, returns from India with his pregnant wife, Sarina. Soon there will be a new baby in Covington, and Hannah and Sarina bond while shopping in preparation for the blessed event. But Hannah worries about the rift that still exists between Zachary and his father. Can it possibly be repaired? Despite her instant affection for Sarina and for baby Sarah when she arrives, Hannah worries that Zachary's return may cause more heartache than joy. Has their quiet peace fled forever? Interwoven with the continued stories of Grace, Amelia, and others who have joined their circle, this beautiful and touching tale is a moving addition to the Covington series, sure to be cherished by readers new and old.
