

City Quarters: Thieves Quarter

Need a tavern in a hurry? An inn? An alchemist? A conspiracy? How about a Thieves Guild? How about an entire Thieves Quarter? From *The Game Mechanics* (Artifacts of the Ages and the Modern Players Companion) comes the first in a series of books detailing the people, places, and plots of the fantasy city of Liberty: the Thieves Quarter, where life is cheap, and only the bravest-or most foolhardy-venture out alone at night. Modular in design, the Thieves Quarter can be adapted wholesale to any city in any fantasy campaign, or Gamemasters can cherry-pick whatever they need, whenever they need it. With two dozen lushly-created maps by master cartographer Christopher West, dozens of fully-developed NPCs, and extensive encounter tables loaded with adventure hooks, the Thieves Quarter is a ready-made mini-setting designed to be dropped into nearly any d20 fantasy campaign at a moments notice. Future City Quarters volumes will include the Temple Quarter, the Arcane Quarter, the Nobles Quarter, and the Mercenaries Quarter.
