

From Sicily to Connecticut: One plus One Equals Three

The whole is greater than the sum of its parts: one plus one equals three. I was 20 years old when I came to the States from Sicily in 1970. Emigrating with my parents turned out to be the best move I could have ever made. This is my story: from a young boy thru high school graduation in Sicily to emigrating to the States and my life here. It is a heartfelt tribute to my native Sicily, its culture and home life and my thanks and appreciation to Connecticut!
