

# Smoke Weed\*, Eat Bacon, Have Sex, Lose Weight!: A Prescription for a Better Life

People get fat. It happens. It happened to me! I had become heavysset due to bad decision making. Its true! Bad decisions are the reason you get into debt, get a dui and file for divorce. It happens, Youre human. We make mistakes. I have created this book, SMOKE WEED\*, EAT BACON, HAVE SEX, LOSE WEIGHT, to help those who were once like me. I was obese and in poor health. I weighed 278 a number of years ago and it dramatically affected my life. I woke up sweaty with both my arms numb most of the time. I had man boobs and a lump in my chest and had to get a mammogram at one point. I was very unhealthy and quite disgusting and I DID IT ALL TO MYSELF! I knew I had to get better before I got worse so I took it upon myself to get me un-fat! I did a lot of research and tried numerous fad diets with only minimal success. Then I started taking the information that made sense from all these other diets and pulled them together into this book. SMOKE WEED\*, EAT BACON, HAVE SEX, LOSE WEIGHT trims the fat off those other weight loss programs and makes losing weight easy and fun! No starvation either. Youll be eating lots of great foods and have plenty of meals throughout your day. Plus, what other weight loss program encourages you to smoke weed and have sex? And just so you know, YOU DONT NEED TO SMOKE WEED FOR THE WEIGHT LOSS PROGRAM TO WORK, but it helps! Now that the national prohibition on Marijuana is lifting it is time to help restore the image that a lot of yellow journalism and misinformation the American government has produced in wake of this wonderful, medicinal plant. Billionaires are the greatest threat to all freedom on this planet. These money hoarders use their evil paper to purchase influence and power. William Randolph Hearst, along with DuPont Chemical and help from Mellon Bank created the fraudulent MARIJUANA

TAX STAMP ACT OF 1937 because this person and these companies would lose billions in timber holdings and chemical processes for making paper and textiles if they didnt do something. This is also the reason I was thrown in jail for smoking a joint in the parking lot of an amusement park in 1995. GREED IS A DISEASE THAT IS DESTROYING OUR GOVERNMENT AND WAY OF LIFE! Money is not the answer. Money is a LIE! The truth is money is no good if youre not around to spend it. Ask William Randolph Hearst now. Oh wait, you cant. Hes dead. YOUR HEALTH IS IMPORTANT! If youre looking to lose a few pounds or a few hundred let this book be your guide! This program has helped me shed over 100 pounds and make my life less complicated through better decision making. When you start stopping yourself from making the wrong choices you will see improvements in not just your health but YOUR LIFE! Once you start preparing your own meals instead of eating out all the time you will see your waistline get smaller while your pockets get FATTER! Better decisions create a better tomorrow. Remember that. Honestly, who would have though eating right and exercise actually worked? Well it worked for me and now ITS YOUR TURN! SMOKE WEED\*, EAT BACON, HAVE SEX, LOSE WEIGHT! Its for the better.
