

The Secret of Bulimia: A New Successful Method of Overcoming the Incomprehensible Pitfalls of Overeating

Dr. Tanya Skoro wrote this book for all victims of eating disorders who feel hopelessly stuck in the unbeatable trap of overeating. The book explains the mysterious causes leading to the onset of bulimia, as well as reasons which can maintain this disorder for years. It contains instructions for overcoming and abandoning the day-to-day suffering of bulimic patients, indicating which successful steps to take in order to attain health and peace of mind. The book THE SECRET OF BULIMIA will be helpful not only for those suffering from bulimia, but also for all the people engaged in obsessive and addictive overeating, for whom food has become the only substitute for all their unfulfilled desires in life.
