

# You're Fired! Firing Computer Professionals: The IT Manager Guide for Terminating With Cause

IT managers will find the justification they need to fire an IT professional and protect their organization from significant expenses with the advice outlined in this book. The nature of the fiscal duty of manager to computer employees and the rules of ethics, disclosure, and proper use of computing resources are discussed. IT managers will learn the complex corporate obligation included in providing severance packages and unemployment and retirement benefits, as well as how to navigate state employment-at-will laws.

At Chelle Law, our experienced and highly skilled attorneys provide exceptional representation in CRIMINAL, DUI and PROFESSIONAL LICENSE DEFENSE. Our firm provides aggressive representation, individualized attention, and exceptional skill, all at a reasonable price. We Fight To Preserve Your Rights In a civil case the plaintiff carries the burden of proof and must demonstrate their version of the facts to be true by a preponderance of evidence. However, a criminal defendant is presumed innocent until proven guilty beyond a reasonable doubt. Thus, the burden of proof is very high for the prosecutor in criminal cases, thus you should contact our Phoenix Criminal Defense Attorneys as soon as possible. Aggressively Representing Businesses, Employees, and Individuals in Arizona Our clients range from accountants to physicians to nurses and every other profession in between. No matter the client, we are fully committed to providing each with unmatched service and a guarantee to aggressively represent their interests.
