

# The Quintessential Barbarian II: Advanced Tactics (Dungeons & Dragons d20 3.5 Fantasy Roleplaying)

From the Advanced Tactics series. The Advanced Tactics Series is now fully established, having successfully expanded upon the best-selling Quintessential line. The latest release, the Quintessential Barbarian II, is written by Patrick Young (Quintessential Monk II, Quintessential Sorcerer) and featuring rules for barbarian characters throughout their careers, The Quintessential Barbarian II is an invaluable resource from First to Twentieth level. With epic expansion rules, multiclassing, career paths and a multitude of alternatives for enhancing and improving your barbarians potential through legendary classes, survival tactics, new equipment options as well as prestige classes and feats designed for the experienced barbarian, this is an essential resource for players and Games Masters alike. Reinvigorating the best-selling Quintessential line, this new 128 page book continues the exciting range. Players and Games Masters alike will be eager to read a thorough sourcebook dedicated to one of the grittiest classes in d20 gaming, while the well-respected name of Mongoose Publishing, together with full colour, full page advertising in the gaming press (including Dragon magazine) will ensure heavy demand and corresponding sales. Explores aspects of races and character classes never before examined and allows players to fully recognize the potential of their characters. Featuring character paths that allow players to develop without the need for prestige classes and what options are available at epic level and beyond, these books are truly the next stage of character development. This book details the barbarian, one of the most iconic fantasy characters of all time.
