

Voices from the Spectrum: Parents, Grandparents, Siblings, People With Autism, And Professionals Share Their Wisdom

Author of *Could It Be Autism? A Parents Guide to the First Signs and Next Steps* *Voices from the Spectrum* is a compelling collection of personal accounts from people on the autism spectrum and those who care for them, including professionals, friends and family members. The essays in this collection tell of both the positive and negative effects of autism on individuals and families, and pose the question: is a diagnosis on the autism spectrum a puzzle to be solved, or something to be embraced and accepted? The broad scope of this book presents insights into the autism spectrum from many different perspectives - from first-hand accounts of the autistic child's school and childhood experiences to parents and grandparents reactions to a diagnosis. A number of chapters written by professionals explain their motivations for working with autistic people and reveal what they have learned from their work and how it has affected their lives. The contributors describe experiences of autism from the mildest to the most severe case, and share their methods of adapting to life on the spectrum. *Voices from the Spectrum* will appeal to a wide readership of adults and younger people on the autism spectrum, their families and friends, as well as practitioners.

Scottsdale Criminal Defense Lawyer Home Attorney Profiles Â» Practice Areas Â» Results Testimonials Media Â» Contact Us Blog 123 Criminal Defense DUI Professional License Defense Phoenix Criminal Defense Attorney SERVING PHOENIX, AZ AND SURROUNDING AREAS At Chelle Law, our experienced and highly skilled attorneys provide exceptional representation in CRIMINAL, DUI and PROFESSIONAL LICENSE DEFENSE. Our firm provides aggressive representation, individualized attention, and exceptional skill, all at a reasonable price. We Fight To Preserve Your Rights In a civil case the plaintiff carries the burden of proof and must demonstrate their version of the facts to be true by a preponderance of evidence. However, a criminal defendant is presumed innocent until proven guilty beyond a reasonable doubt. Thus, the burden of proof is very high for the prosecutor in criminal cases, thus you should contact our Phoenix Criminal Defense Attorneys as soon as possible. Aggressively Representing Businesses, Employees, and Individuals in Arizona Our clients range from accountants to physicians to nurses and every other profession in between.
