

Grave stone records : from the ancient cemeteries in the town of Claremont, New Hampshire, with historical and biographical notes

This book was originally published prior to 1923, and represents a reproduction of an important historical work, maintaining the same format as the original work. While some publishers have opted to apply OCR (optical character recognition) technology to the process, we believe this leads to sub-optimal results (frequent typographical errors, strange characters and confusing formatting) and does not adequately preserve the historical character of the original artifact. We believe this work is culturally important in its original archival form. While we strive to adequately clean and digitally enhance the original work, there are occasionally instances where imperfections such as blurred or missing pages, poor pictures or errant marks may have been introduced due to either the quality of the original work or the scanning process itself. Despite these occasional imperfections, we have brought it back into print as part of our ongoing global book preservation commitment, providing customers with access to the best possible historical reprints. We appreciate your understanding of these occasional imperfections, and sincerely hope you enjoy seeing the book in a format as close as possible to that intended by the original publisher.

Scottsdale Criminal Defense Lawyer Home Attorney Profiles Â» Practice Areas Â» Results Testimonials Media Â» Contact Us Blog 123 Criminal DefenseDUIProfessional License Defense Phoenix Criminal Defense Attorney SERVING PHOENIX, AZ AND SURROUNDING AREAS At Chelle Law, our experienced and highly skilled attorneys provide exceptional representation in CRIMINAL, DUI and PROFESSIONAL LICENSE DEFENSE. Our firm provides aggressive representation, individualized attention, and exceptional skill, all at a reasonable price. We Fight To Preserve Your Rights In a civil case the plaintiff carries the burden of proof and must demonstrate their version of the facts to be true by a preponderance of evidence. However, a criminal defendant is presumed innocent until proven guilty beyond a reasonable doubt. Thus, the burden of proof is very high for the prosecutor in criminal cases, thus you should contact our Phoenix Criminal Defense Attorneys as soon as possible.
