The Latest Survival Manual (FREE Bonus Included) Save Yourself From Financial Failure Are you prepared for a financial crisis? Im not just talking about a banking crash or another bubble bursting. There is no limit to the amount of dangerous situations that can and will imperil your financial condition. If you are unprepared for the problems, you can find yourself forced to make bad choices to get by. Disaster preparedness experts frequently work to establish steady supplies of food, water, shelter and security. But they dont think as much about the financial keys to survival. This book will close the gap between physical preparation and economic prep. The Latest Survival Manual provides a quick overview of the types of threats that can create a financial crisis on both macro and microeconomic levels. There really is no difference between a nationwide credit or currency crisis and the prospect of filing for individual bankruptcy due to mounting medical bills. Both lead to the same place. Within this book, you will uncover the keys to:Reduce and eliminate debt,Build new revenue streams,Translate your skills into means of earning more money,Engage in alternate means of value exchange, such as barter,Mitigate your risk of personal financial crisis, andDevelop the skills and security to survive and thrive a regional, national or global financial calamity. Getting Your FREE Bonus Read this book and find BONUS: Your FREE Gift chapter right after the introduction or after the conclusion. \_\_\_\_\_ Tags: Survival Guide, survival guide for beginners, survival guide for the modern world, survival guide free, survival guide for girls, survival guide books for hiking and backpacking, survival guide to rook endings, Survival Tips, Preparation, Disasters, Survival Guide Book, Preparation For Beginners, survivalist, disaster readiness, urban Prepping, prepper,
