Click for your dream date Could she go to the senior dance with just any guy? No way. Imani Lane has her heart set on Maurice, the hottest guy in town. But he isnt exactly asking. So she comes up with an idea to help herself -- and everyone else, too. An online dating hookup site for local teens! Her friends and cousin can find their dream dates, and Imani can brilliantly engineer her own profile to match Maurices. Problem is, the Web site is becoming too popular. Guys who are looking for hookups -- say, with Imanis own impressionable cousin -- now include some very sleazy types. So Imani has to get things unhooked and fast.
