

Eve, Adams First Wife

This book comprises three very distinct areas - the Ten Commandments, the seven deadly sins, and marriage with divorce. Eve, Adams First Wife brings them together to show how they influence our lives, our way of thinking, and our beliefs. This book contains twenty relevant cartoons and gives the reader a contemporary humor/serious look at the information using real everyday stories of celebrities and everyday people. Through these stories of love and tragedy, we hope to put a human face on what might otherwise seem to be draconian commands unsuitable for the modern age. One may think of this as a guidebook for how one can live a fruitful life in harmony with one another, be it family, friends, or farmers.
