

A Christmas to Believe In

Struggling Thoroughbred breeder, Clint King, hasn't been home for Christmas in five years. This year, his prize mares due to foal any day, and in the wake of his father's death, Clint can't stand the idea of returning. Except, Alex is getting married on Christmas Eve, and their mothers put her foot down. With his mare in tow, Clint prepares to meet a sister he's never known, and Alex's unexpected triplets. The one salvation he looks forward to is childhood companion, tomboy Jesse Saur. Yet when he reunites with Jesse, he uncomfortably discovers she's become all woman.

Jesse Saur has everything she needs - financial security, a home, and a foster child who's about to become her son. With Ethan's final hearing scheduled just before Christmas, her dreams will come true. When she learns Clint and his brothers are returning, she anticipates a holiday reunion that's sure to entertain Ethan. But on the night of Clint's return, the brother she expected leaves her trembling after a hug. Even worse, Ethan makes it clear Clint's not welcome. Will Christmas destroy hopes and dreams, or will it become the gift they've all been longing for?
