

Pass The Salt, Please!: A Tale Of Desire And Destruction

Licentia, land of women and wine. Where men willingly serve their women and Juno rules over all. Diana, huntress supreme. Kills boars with her bare hands and waits for her lover on the eve of her deflowering. Actaeon, banished sailor. Determined to win Dianas love and stay at her side forever. In a land where women rule supreme and men have only to pleasure the woman who chooses them, it appears nothing can go wrong. Until Actaeon returns from the sea to win the woman he loves. No woman in Licentia will have such a man: hes coarse, untaught, and cant even make a decent bowl of soup. Still Diana favors him. Until the night all of Licentia discovers Actaeon doesnt know how to pleasure a woman. The wounded lover strikes back, throwing Licentia into a chaos of desire and destruction. Follow Diana and Actaeon on this gender-bending romp through the wilds of Licentia and learn just how potent forbidden spices can really be.
