

Wildfire: A Novel

Julie has an obsession with fire that began after her parents died when she was twelve years old. Her pyromania leads her to take an unlikely job as a forest firefighter on an elite, Type 1 Hotshot crew of forest firefighters who travel the American West battling wildfires. The only woman on the twenty-person crew, Julie struggles both to prove her worth and to find a place of belonging in the dangerous, insular, and very masculine world of fire. Julie is not only battling fires but also her deepest secrets she has been harboring since she became orphaned. As her season on the line progresses, so do her relationships with the strange and varied cast of characters that make up her hotshots team Archie, Tan, Rock Star, Hawg, Lance, and Sam. And ultimately, Julie learns what it truly means to put your life on the line for someone else. *Wildfire* is a tough, gritty, and fascinating story from an exciting new voice in American fiction. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more.
