

Bonds That Make Us Free: Healing Our Relationships, Coming to Ourselves

We all know the difference between how we are when life is sweet for us -- easy, open, generous, and connected with other people -- and how we are when we feel guarded, defensive, on edge, suspicious, or vindictive. Why do we get trapped in negative emotions when its clear that life is so much fuller and richer when we are free of them? Bonds That Make Us Free is a groundbreaking book that suggests the remedy for our troubling emotions by addressing their root causes. Youll learn how we betray ourselves by failing to act toward others as we know we should -- and how we can interrupt the unproductive cycle and restore the sweetness in our relationships.
