This is for all the entrepreneurs who ever asked me what they should talk about on Twitter. While this information is specifically for tweets you can post on Twitter, the ideas discussed theoretically works on all social networks. The only thing is that I designed this for Twitter users, and have not tested this as much on other networks. This book is a big smorgasbord of 1,001 Tweets. These include photo tweets, quotes, sayings, ideas, jokes, and other assorted tweets for a variety of businesses.
