

The First Book of Swimming

Everyone Can Learn to SwimSwimming is a healthful and rewarding sport. It provides as much fun and exercise for young people as it does for grownups. And anyone can learn some babies have been taught to swim before they were one year old!If you dont know how to swim, then now is the time to start learning. And even if you already swim, you can always learn to be a better, more proficient swimmer with added practice.The best way to learn is through personal instruction. Many communities have learn-to-swim programs where instruction is given by experts. You can easily obtain information about these classes where and when they are held, and how you can join them. If you do join such a class, you can use this book as a study aid at home.If a learn-to-swim program is not available in your community, or if you dont want to wait until one is held, then you can learn by carefully following the instructions in this book. But there is one rule in learning to swim that you must never break: Always have someone with you when you take a lesson. This person must know how to swim so that he can help you practice and correct anything you are doing wrong.This book is divided into three main parts. The first tells you about the fundamentals of swimming such things as water safety, breath control, kicking, and floating. The second will tell about the different strokes that is, the ways of moving yourself through the water. The third discusses swimming in organized racing.

Scottsdale Criminal Defense Lawyer Home Attorney Profiles Â» Practice Areas Â» Results Testimonials Media Â» Contact Us Blog 123 Criminal DefenseDUIProfessional License Defense Phoenix Criminal Defense Attorney SERVING PHOENIX, AZ AND SURROUNDING AREAS At Chelle Law, our experienced and highly skilled attorneys provide exceptional representation in CRIMINAL, DUI and PROFESSIONAL LICENSE DEFENSE. Our firm provides aggressive representation, individualized attention, and exceptional skill, all at a reasonable price. We Fight To Preserve Your Rights In a civil case the plaintiff carries the burden of proof and must demonstrate their version of the facts to be true by a preponderance of evidence. However, a criminal defendant is presumed innocent until proven guilty beyond a reasonable doubt. Thus, the burden of proof is very high for the prosecutor in criminal cases, thus you should contact our Phoenix Criminal Defense Attorneys as soon as possible. Aggressively Representing Businesses,
