

The Ultimate Guide to Self-Directed Retirement Plans: Secrets the Rich Use to Build Tax Free Wealth

Learn the secrets to using Self-Directed Retirement plans that your Stockbroker, Banker and Financial Advisor would rather you not know about. Through this simple, effective tour of the world of Self-Directed Retirement plans, Thom Garlock shows you the steps that wealthy investors have used for years to gain control of their retirement accounts and diversify their assets into real estate, precious metals, private business ownership and much more. You'll discover: Why less than 3% of investors are aware of Self-Directed IRA or 401(k) plans How to pass on more of your wealth to your family Why your retirement accounts seldom grow when owning stocks, bonds and mutual funds How to legally invest your retirement plan into income properties, raw land or vacation homes Why the coming wave of inflation and higher tax rates will destroy most retirement savings How to finance your business or real estate projects with IRA or 401(k) investors Why our politicians would like to end the IRA and 401(k) benefits now available With most Americans facing a large gap between what they have in their retirement savings and what they need to retire on, this book is a must read for anyone seeking financial freedom.
