

Keep Your Brain Alive: 83 Neurobic Exercises to Help Prevent Memory Loss and Increase Mental Fitness

Over 40? Getting forgetful? Having trouble learning new things, or remembering that actress name without reaching for your smartphone? Neurobics are simple, unique brain exercises that can be done anywhere, anytime. Now, the Neurobics bestseller *How to Keep Your Brain Alive* is repackaged in a trim, tote-able format that makes it an ideal gift. Based on leading neurobiological research, *Keep Your Brain Alive* introduces a regimen of mental cross-training—a series of deceptively simple exercises that help stimulate the production of natural growth factors called neurotrophins, which in turn grow brain cells and keep the brain younger and stronger. And nothing so easily stimulates the brain as breaking routines and using the five senses in new and unexpected ways. So if you're right-handed, wake up tomorrow and brush your teeth with your left hand. Or close your eyes before you get in the car and insert the key into the ignition. Every time you open a new circuit in your brain, it's like doing a round of mental sit-ups.

Scottsdale Criminal Defense Lawyer Home Attorney Profiles » Practice Areas » Results Testimonials Media » Contact Us Blog 123 Criminal Defense DUI Professional License Defense Phoenix Criminal Defense Attorney SERVING PHOENIX, AZ AND SURROUNDING AREAS At Chelle Law, our experienced and highly skilled attorneys provide exceptional representation in CRIMINAL, DUI and PROFESSIONAL LICENSE DEFENSE. Our firm provides aggressive representation, individualized attention, and exceptional skill, all at a reasonable price. We Fight To Preserve Your Rights In a civil case the plaintiff carries the burden of proof and must demonstrate their version of the facts to be true by a preponderance of evidence. However, a criminal defendant is presumed innocent until proven guilty beyond a reasonable doubt. Thus, the burden of proof is very high for the prosecutor in criminal cases, thus you should contact our Phoenix Criminal Defense Attorneys as soon as possible. Aggressively Representing Businesses, Employees, and Individuals in Arizona Our clients range from accountants to physicians to nurses and every other profession in between. No matter the client, we are fully committed to providing each with unmatched service and a guarantee to aggressively represent their interests.
