

Torments of the Soul: Psychoanalytic transformations in dreaming and narration (The New Library of Psychoanalysis)

In *Torments of the Soul*, Antonino Ferro revisits and expands on a theme that has long been at the heart of his work: the study of dreams during sleep and in the waking state, and the psychoanalytic narrative. Following Bion, he focuses on the importance of what he sees as the task of contemporary psychoanalysis for generating, containing and transforming previously unmanageable emotions with a clinical psychoanalytic context. Antonino Ferro explores the concepts of transformations in dreaming, the session as a dream, individuals transformed into characters, the interpretation of these characters, and readings of them as the functioning of a single mind or as an analytic field created by the meeting of two minds: the clients and the analysts. Here, a new identity, the analytic field, is formed from the reverie of both participants, which makes it possible to work on complex, nonlinear phenomena in a radical way, creating a royal road to the unconscious communication of the patient. *Torments of the Soul* contains a plethora of clinical vignettes from the authors extensive psychoanalytic work with adults and children to illustrate the substantial theoretical progression he advocates here. Offering significant and important new interpretations of theories and ways of working with patients, this book will be essential reading for psychoanalysts, psychotherapists, psychologists, students of these fields and those interested in the human sciences.

Scottsdale Criminal Defense Lawyer Home Attorney Profiles » Practice Areas » Results Testimonials Media » Contact Us Blog 123 Criminal DefenseDUIProfessional License Defense Phoenix Criminal Defense Attorney SERVING PHOENIX, AZ AND SURROUNDING AREAS At Chelle Law, our experienced and highly skilled attorneys provide exceptional representation in CRIMINAL, DUI and PROFESSIONAL LICENSE DEFENSE. Our firm provides aggressive representation, individualized attention, and exceptional skill, all at a reasonable price.
