

Cinderstella: A Tale of Planets Not Princes

Cinderstella, is a story about a girl who would much rather go to space than meet a prince. Stella has plans of her own for a happily ever after which don't involve being a princess. She'd rather be an astronaut! A modern retelling of a beloved fairy tale, this is a subtle and subversive tale about girl power. A Note to Parents and Caregivers by the authors talks about encouraging girls in science, technology, engineering, and math (STEM) fields.
