

Beyond the Boot Camps

From selling fruit and vegetables out of his cartrunk after training, to life under lower division eccentrics such as John Beck and Barry Fry, *Tales From the Boot Camps* was Steve Claridge's hugely entertaining and successful autobiography of life outside the Premiership. *Beyond the Boot Camps* promises more of the same. The last decade has seen Steve Claridge finally take leave of the Football League (after turning out for half a dozen more clubs), dabble disastrously with management at Weymouth and Millwall, continue to fight his gambling addiction, and become a respected pundit. There's a whole 10 years worth of frank and hilarious anecdotes to fit into this new volume.
